

DESIGN AGREED UPON

The Sub-Committee Reaches a Decision,
But It Is Kept Secret.

GENERAL COMMITTEE TO APPROVE

A Meeting to Be Held the 27th for
This Purpose, and the Whole
Question Adjoined Over to Them.

The Davis Section to Be Improved.

Not until the 27th of this month will the public know what design will be accepted for the Jefferson Davis monument. A joint meeting of the Board of Directors of the Jefferson Davis Monument Association and the Davis Monument Committee of the United Confederate Veterans was held yesterday to dispose of this matter, but none of the members of the latter body were present.

At 11 o'clock the following members of the board were present in Mon. J. Taylor, Ellyson's office; Messrs. Ellyson, P. H. Mayo, Peyton Wise, George L. Christian, John B. Cary, Joseph C. Dickinson, Thomas P. Campbell, and W. D. Chesterman. Captain W. Gordon McCabe and Colonel W. E. Outshaw, members of the Committee on Design, who are not on the board, were also present.

President Ellyson read a number of letters from the members of the Davis Monument Committee of the United Confederate Veterans, and five of the writers authorized him to act as their proxy.

OBJECT OF THE MEETING.
The meeting was called to receive the report of the Committee on Design, but as none of the non-resident members of the Monument Committee were present, on motion of Judge Christian, it was resolved that the meeting adjourn to Saturday, June 27th. It is then expected that all of the non-resident members will be represented in person or by proxy.

It is understood that the Committee on Design are ready to make a recommendation, but at the meeting yesterday only the slightest hint was given as to which of the twenty-seven designs is their choice. The whole matter remains locked up in the breast of the committee.

IMPROVE THE DAVIS SECTION.

A report was read by Colonel Cary that \$25, which had been in his hands as chairman of the Finance Committee of the Soldiers' and Sailors' Monument Association, had, by order of the association, been turned over to the treasurer of the Davis Monument Association, Mr. Dickinson, from the committee appointed to consider the propriety of putting a curb and steps to the Davis section in Hollywood, in which Mr. Davis is buried, reported that they deemed it advisable that the work be done. It was ordered, on motion of Mr. Campbell, that the curbing and steps be constructed of granite material, and paid for out of the \$25. Colonel Cary was requested to superintend the work.

The preparations for the laying of the cornerstone in Monroe Park will go on, just as if the design had been adopted and the contract for the monument awarded.

THE C. & O. SUNDAY EXCURSIONS.

Mr. Horace F. Smith to Have the Direction of the Seashore Outings.
The services of Mr. Horace F. Smith have been secured by the Chesapeake and Ohio railway to advertise and give general management to the series of Sunday excursions to Old Point and Norfolk, via the Chesapeake and Ohio railway, via the Chesapeake and Ohio railway, via the Chesapeake and Ohio railway.

A special fast train leaves Richmond from the Broad-street station every Sunday at 8:30 A. M., and returning, leaves Old Point at 7 P. M. The Traction Company's new street-car line passes the Broad-street station, and will be in operation in time for next Sunday's excursion.

Only one stop is made between Richmond and Old Point (at Newport News), and nearly nine hours' time is allowed to visit the Point, Hampton, Soldier's Home, and Newport News, these places being connected by an electric car line, which affords rapid and economical transit. Special arrangements have been made for excursionists to obtain dinner at the Hygeia, Chamberlain's, or the Sherwood Hotel, at very reasonable prices, and particular care is taken by the management to keep up the standard of these excursions. Aside from the pleasant run over a stone-ballasted track, which gives assurance of a quick and clean trip, the splendid surf bathing, the breeze off the water, and the pleasure of seeing under circumstances which are favorable to all, and which will no doubt result in a very popular during the summer season.

The Fee Not Provided For.

Coroner Taylor has returned the stomach of Mrs. Hulda White, which was sent him from Norfolk county several days ago for analysis. He was unable to make any definite arrangements as to the \$20 fee usually charged in such cases. Mrs. White died on May 18th under very suspicious circumstances at her home in Norfolk county. She was given a dose of syrup of figs by her husband, and fifteen minutes later died in terrible agony.

Ten days ago her husband, Charles T. White, eloped to North Carolina with a young girl, whom he married.

This started the neighbors to talking, and a few days ago White was arrested on a warrant charged with poisoning his former wife, to whom he had been married thirty years. When the case came up before a magistrate White was honorably acquitted.

The exhuming of the body was done at the request of Charles Pentress, a brother of the first wife, and upon the result of the analysis will depend the prosecution of White.

It seems that the county authorities are not taking steps in the matter, but all is being pushed by Mr. Pentress. The coroner expects to hear something definite to-day.

Light Police Court Docket.

The proceedings in the Police Court were devoid of special feature yesterday morning, and the docket was short and unimportant.

Martha Carr, a colored woman, charged with stealing a pair of shoes and a white dress, valued at \$3.50, from Bettie Stamps was discharged there being absolutely no evidence with which to sustain the charge.

Owing to the absence of an important witness, who is in New York, the case of King Walker (colored), charged with stealing a silk dress and \$5.00 in currency from Mike Stamps, was continued indefinitely. King was also charged with being a suspicious character, and for this the Justice required \$300 security for twelve months.

Grand Grove of Druids in Session.

The Grand Grove of Druids of Virginia held their twenty-fourth annual meeting at Lee-Camp Hall Tuesday night, and after the transaction of routine business officers for the ensuing year were elected as follows: Noble Grand Arch, Mr. George Zeigler, of Wilmington, N. C.; Deputy Noble Grand Arch, Mr. Fitz Zierke, Richmond; Grand Secretary, Mr. James

The Grand Grove selected Norfolk for their next annual meeting, to be held on the second Monday in June, 1897.

NO STONEWALL JACKSON CAMP.

A Cordial Invitation from Albany Addressed to Such Organization.

A telegram address to "Commander Stonewall Jackson Camp, Richmond, Va.," was Tuesday evening turned over to Colonel James T. Gray, commander of Lee Camp, as there is no organization in the city by the former name.

The telegram was from Albany, N. Y., and was signed, "W. E. Webster, Jr. It contained an invitation for Stonewall Jackson Camp to attend a reunion at Albany on July 4th. Commander Gray wrote a letter to Mr. Webster, stating that the telegram had fallen into his hands, and that there was no camp by the name of "Stonewall Jackson" in this city.

There is little doubt that the invitation was intended for Lee Camp, for any Richmond veterans' organization.

Order of the Golden Chain.

There will be a mass-meeting of the members of the Order of the Golden Chain at Laule's Hall, corner First and Broad streets, this evening at 8 o'clock, when the Supreme Adjutant, Commander, and several State dignitaries will deliver addresses on the growth of this order during the last two years.

As there are more than 80 members of the order in the city, they will probably be a very large attendance.

Retail Clerks' Union Will Meet.

The Retail Clerks' Union will meet at 9 o'clock to-night at the store of L. Feilheimer, Third and Broad streets. More than thirty new members have been secured since the last meeting.

Baby Murderer Hanged.

LONDON, June 10.—Mrs. Annie Dyer, the Reading baby-farmer, who, presumably, had murdered scores of infants entrusted to her care, was hanged in Newgate prison at 10 o'clock this morning. The weather was rainy, but the crowds in the vicinity of the prison were as large as the available space would accommodate. When the black flag was hoisted, indicating that the hanging was about to take place, the crowd cheered and sang. After she was sentenced to death, Mrs. Dyer twice attempted to commit suicide in Newgate prison.

The Dry-Goods Market.

NEW YORK, June 10.—In the dry-goods market a dull day has again to be recorded in all departments. Orders from the roads are of indifferent extent, and customers are ordering lightly direct.

It is hard to tell sometimes whether the shopper or the saleswoman feels the effect of shopping the most.

They are two links in the chain of indigestion; another link is biliousness; headache is another; then follows backache, drowsiness, dizziness, an irritable temper and the "blues," all links of one chain binding down your energies and making life a burden. The way to throw off the whole trouble is to get the bowels and stomach into condition again.

Dr. Pierce's Pleasant Pellets do this quicker, more comfortably and more naturally than any other remedy in the world. They actually cure constipation so it stays cured; you don't become a slave to their use; they strengthen the intestines to do their own work, tone the stomach and greatly stimulate the liver. They are mild but sure, like Nature's self. Don't let an annoying drive you a gripping pill. Insist on having Dr. Pierce's Pleasant Pellets.

The People's Common Sense Medical Advisor gives more plain useful information about the human body and the ailments to which it is subject than any other single book in the English language. It is really a medical encyclopedia in one volume, a large heavy book of 100 pages, with over 300 illustrations.

It is a book of money and effort in producing this great book was paid for by the sale of the first edition of 500 copies at \$1.50 each, and the profit has been used in publishing the present edition of half-a-million copies at 25 cents without price to all who will remit the small charge of 2 cents in one-cent stamps to pay the cost of mailing copy.
